

Run The Application

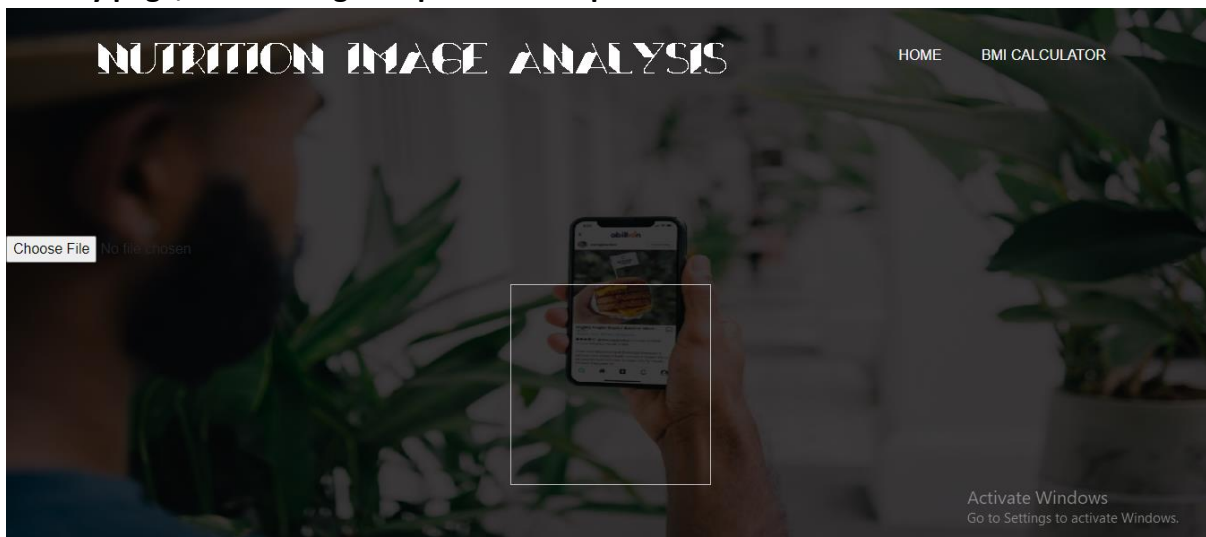

Team ID	PNT2022TMID43802
Project Name	AI-Powered Nutrition Analyzer for Fitness Enthusiasts

Output screenshots:

Home.html page-

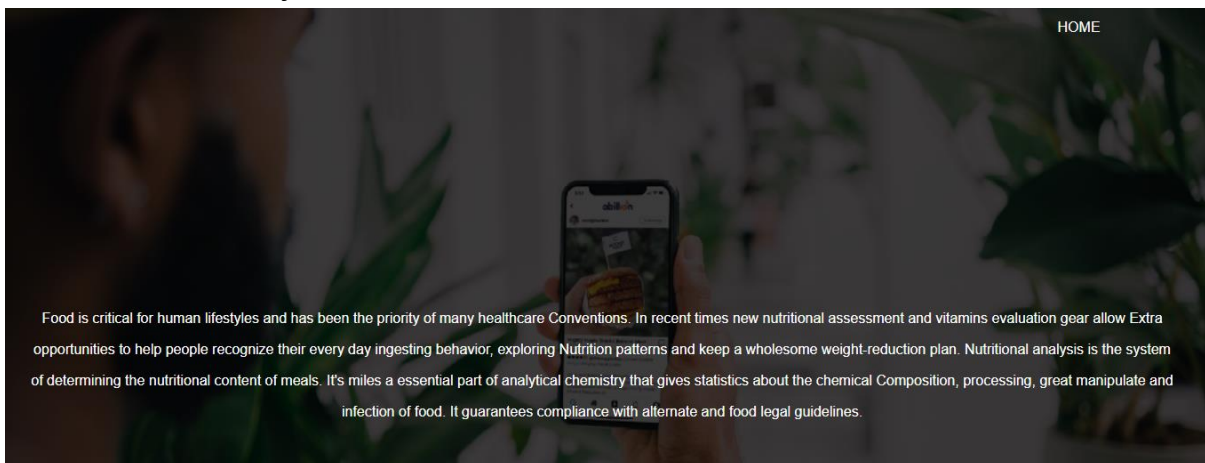

Classify page, where image is uploaded and predict its nutritional facts-

About.html – here it just shows the overviews, team details and how it works-

Additional Features:

- BMI Calculator

BMI calculator

A UI mockup for a BMI calculator. The background is a dark, blurred image of a person holding a smartphone that displays a food item. The text 'NUTRITION IMAGE ANALYSIS' is at the top left in a white, serif font. To its right are five white chevrons pointing right. Below the title, the text 'BMI Calculator' is in a bold, white, sans-serif font. Underneath are two input fields: 'Height (in cm)' and 'Weight (in kg)', each with a white rectangular input box. At the bottom is a rounded rectangular button with a green border and the text 'CALCULATE' in white, uppercase, sans-serif font.
